

**ORILLIA POWER CORPORATION  
requires a**

**SENIOR ENGINEERING TECHNOLOGIST**

The Orillia Power Corporation (OPC) with a staff of 43, distributes electricity within the City of Orillia serving 13,000 residential, commercial and industrial customers and generates electricity from its three waterpower generating stations.

OPC requires a highly motivated results oriented individual for the position of Senior Engineering Technologist. This is a unionized position and reports to the Engineering Administrator.

**Qualifications Required:**

- Three-year electrical technology diploma or equivalent and a registered Certified Engineering Technologist (OACETT)
- A minimum of three years experience in distribution system design would be an asset
- Knowledge of Distribution System Code, Occupational Health & Safety Act, the E&USA rulebook, applicable trade procedures and regulations
- Strong computer skills with proficiency in Microsoft Office applications, AutoCAD, CableCAD and a working knowledge of DESS and Visual Basic
- Excellent problem-solving, organizational, communications and interpersonal skills
- Professional aptitude and ability to take responsibility, initiative, multitask and work independently
- Able to demonstrate a commitment to safety, teamwork, customer relations and respect in the workplace
- Possess a valid Ontario drivers license Class G with good driving record

**Key Responsibilities:**

- Prepare overhead and underground electrical distribution system design, up to and including 44 kV as per regulation 22/04 and OPC's technical standards
- Prepare construction drawings using AutoCAD, engineering estimates and USF (Utility Standards Forum) Standard
- Liaise with City of Orillia, other utilities, customers, developers and contractors related to the design and construction of projects

OPC offers an attractive wage and benefits package in accordance with the Collective Agreement.

The City of Orillia is located in vacation country approximately one hour north of Toronto on the shores of Lakes Simcoe and Couchiching and provides ample access to recreational activities all year round.

Interested applicants should submit their resume, detailing related education, qualifications and experience no later than **Friday, July 30<sup>th</sup>, 2010** to:

Orillia Power Corporation  
P.O. Box 398 - 360 West Street South  
Orillia ON L3V 6J9  
Fax (705)326-0800 e-mail [staylor@orilliapower.ca](mailto:staylor@orilliapower.ca)  
**Attention: Sandra Taylor, CHRP, Human Resources Officer**

Personal information submitted will be solely used to determine eligibility for employment in this position.

*We thank all applicants for their interest; however **only those selected for an interview will be contacted.***
