

President

Due to the retirement of its President, Orillia Power Corporation is currently looking for candidates to assume the role of President.

Orillia Power Corporation with approximately 50 employees has two subsidiary companies, Orillia Power Distribution (OPDC) and Orillia Power Generation Corporation (OPGC). OPDC is the local distribution electric company for the City of Orillia with 13,000 customers. OPGC owns and operates three hydro electric generating plants with a capacity of 14.8 MW. OPC is owned by the City of Orillia.

First established in 1896, Orillia Power today maintains one of the lowest distribution rates in the province, very high reliability standards, generates environmentally-friendly electricity and has achieved the Gold Level in the IHSA Zero-Quest program in employee safety.

Mandate

Reporting directly to the Board of Directors the President is to provide overall leadership, planning, operation and management of the Orillia Power Corporation and all of its subsidiaries. Specifically the President will:

- Contribute to the safety, professional development and well-being of our staff;
- Maintain highest standards for public safety, reliability of supply and protection of the environment;
- Consistently provide first-class customer service in an efficient and professional manner;
- Create value for our shareholder and ensure the long-term growth and stability of the organization;
- Have a positive impact on the economic development and betterment of our community.

Key Qualifications

The President position requires an optimum combination of the following: a professional designation, proven leadership skills, high ethical standards, knowledge of the electrical distribution environment and experience in presenting and managing budgets. Knowledge of small electrical generation companies would be an asset. As leader of the management team, the successful candidate will have strong interpersonal skills capable of excellent communications with staff and public.

- An understanding of the current Ontario regulations related to Local Distribution Companies
- Seasoned strategic planning and analytical skills.

Centrally located in Lake Country on the shores of Lakes Couchiching & Simcoe, the **City of Orillia** is Provincial Headquarters of the OPP & is proud of it's campuses of Lakehead University & of Georgian College.

Orillia Power offers an excellent working environment, competitive compensation and benefits package, pension plan and opportunities for professional development.

Interested candidates are requested to submit your resume with cover letter in confidence by October 5th, 2011 to Durham Management Consultants, Attention Don MacMaster,
23 Dunbar Drive, Whitby, Ontario, L1N 6Y4
Fax No: 905-434-6686 or E-Mail: don@dmc4help.com

We thank all applicants for their interest; however only those candidates selected for an interview will be contacted.
