OWNER'S REQUEST TO DISCONNECT ELECTRIC SERVICE

Account No. _____ Date: _____

Service Address: _____

I, _____ request Orillia Power Distribution to disconnect the electric service at the above address.

I understand that I will be responsible for the charges for re-connecting the electric service at \$65.00 + GST during normal working hours.

I understand that there will be a monthly service charge plus G.S.T. billed to this account while the electric meter remains fixed to the premises at the above service address.

I understand that if the electric service is disconnected for a period greater than six months (180 days), Orillia Power Corporation must receive an approved inspection notice from Electricity Safety Authority prior to reactivating the service.

I understand any damage that may occur as a result of the electric service being disconnected at the above address is my responsibility, and I will have no claim for any costs against Orillia Power Corporation.

Please be advised when an electrical service is disconnected that has a "wired smoke detector" without having a backup "battery operated smoke detector" you will be violating Section 6.3.3.4 of the Ontario Fire Code, which states: **"No person shall intentionally disable a smoke alarm so as to make it inoperable."**

It is imperative that the above noted property, which is to be disconnected, meets the standards required in the Ontario Fire Code.
